PRINCIPAL'S MESSAGE

On Wednesday this week, we held our annual Winter Concert. The performances just get better year on year and we are very fortunate to have such talented musicians and dramatists in our school. I'd like to thank all the performing arts staff for their work and effort in putting the concert on, as well as the students who supported with the technical aspects – it is a huge team effort. Staying on the theme of music and performance, we have our traditional Christmas Carol Concerts on 17 and 18 December, where all students go to the local church in Midhurst. It has also been good to see so many of our students participating in sports fixtures for the school. Thank you to the PE staff for organising these games and also for the students who represent our school

We have noticed that attendance in school has dropped over the last couple of weeks. The published results from the Summer showed us that students who are in school do exceptionally well, those who have poor attendance do not. Whilst I know this is a time where students may feel ill, it is important that they make every effort to attend. Thank you.

Best wishes.

Stuart Edwards
Principal

KS3 & KS4 ASSESSMENTS

Sometimes interpreting your child's tracking point report following assessments can be confusing. To help with this there is a helpful guide to help you understanding your child's tracking point reports as they progress through College. For future reference you can find the guide [here](#) on the website.

ATTENDANCE

Absence

Please ensure that you communicate with us each day for any/all absences. Leave a message for the Attendance Team on 01730 812451 (select option 1) or make contact via email: attendance@mrc-academy.org.

[Attendance Matters \(mrc-academy.org - student absence request form - Is my child too ill for school?\)](http://Attendance Matters (mrc-academy.org - student absence request form - Is my child too ill for school?))

Throughout the year, parents receive Tracking Point (TP) reports which record Attitude to Learning (A2L), subject grades and gives an overview of attendance for their child. There are 3 TPs in Years 7 – 10, and 4 TPs in Years 11 – 13. This information will be released and viewed on the Arbor platform.

Attitude to Learning (A2L)

A2L is split into four key focus areas and defined as follows:

Classwork: This measures the degree to which a student engages and contributes to lessons. This considers a student's ability and willingness to ask questions, contribute to discussions, engage with classroom activities, produce work to the highest of their ability, seek out extension tasks, and take responsibility for their own learning.

Homework: This measures student engagement with independent work set. This considers a student's reliability to complete and hand work in on time, the quality of the work being produced, and also reflects levels of personal organisation.

Prepared for Learning: This relates to personal standards in and around the College. This considers punctuality to lessons and having the right equipment for learning. For Sixth Form, this includes meeting deadlines, dress code adherence and the use of study periods.

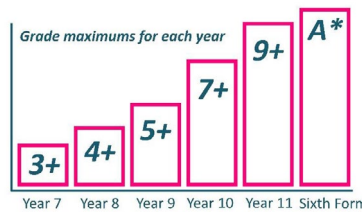

Behaviour for Learning: This measures student attitudes within the classroom. This considers a student's ability to remain focused on tasks, levels of engagement, and positive and negative incidents that impact on their learning or the learning of others - ensuring that all students have the right to uninterrupted learning.

Students will receive a score for each of the above elements on a scale of 1 – 4:

4	Outstanding	Exceptionally high standards always met.
3	Good	Mostly high standards, some inconsistencies which leave room for improvement.
2	Inconsistent	Variable standards, satisfactory as often as unsatisfactory. Negatively affects achievement.
1	Unsatisfactory	Standards are often unacceptable. Considerable impact on achievement and learning of others.

UNDERSTANDING YOUR CHILD'S TRACKING POINT REPORT

Grades

Students receive a GCSE grade in Years 7-11 as part of each TP. As a parent/carer, you will also be provided with a grade following each examination window, along with an average grade. Each year group has a maximum grade they can receive 3+ in Year 7, 4+ in Year 8, 5+ in Year 9, 7+ in Year 10, 9+ in Year 11 and A* in Year 13.

Attendance

Attendance matters! As a parent/carer, you will see an overall attendance figure for your child (given as a percentage). This diagram details the correlation between attendance and education, and how attendance can impact success and life chances. Discussion and support are always offered to maximise the outcomes for every individual.

If you have any questions regarding the report, please contact your child's Head of Year and/or classroom teacher(s).

Essentials

- every day, every lesson

- Black pen(s)
- Pencil
- Ruler
- Eraser
- Calculator (all lessons, not maths)
- Whiteboard Pen
- Maths : protractor and a pair of compasses

Desirables

- ideal for students to have

- Green pen
- Pencil case
- Pencil Sharpener
- Coloured pencils
- Set square
- Small glue stick

EQUIPMENT

As the College term progresses, we are noticing more students not having the right equipment for lessons, taking up valuable time and energy to put right that could be better spent learning.

Please can we remind you to ensure your child attends College every day with the essential equipment listed. If you are looking for stocking filler ideas for Christmas, how about some items from the Desirables list ready for January. Some of the listed items are available to purchase at Student Reception, including scientific calculators for £10 each.

CHRISTMAS FESTIVITIES

Cowdray Christmas Tree

Christmas has most definitely arrived in the building with thanks to the Cowdray Estate for donating our wonderful Christmas tree! The tree was hand picked from one of their local spruce plantations, our reception area is now looking very festive!

Christmas Jumper Day

Christmas Carol Services

On Tuesday 17 and Wednesday 18 December we have our Carol Services. Over the two days, students walk to Midhurst Church with their year group. Your child's allotted service can be seen on their timetable on Arbor. Please ensure your child has an appropriate coat for walking to and from the church.

AN EVENING OF CELEBRATION!

Winter Concert 2024

WOW!!!! What an incredible night! Around 80 students performed in our annual Winter Concert on Wednesday evening. Mr Burton conducted the opening Orchestra piece, kicking off the concert with the theme from the Muppets, a definite crowd pleaser!

We heard music from the Jazz Band (what a sensational solo from Imogen S!), the string ensemble, choirs, flute and clarinet groups and a super talented Sixth Form band.

The production group gave us a taster of what they have been working on for the upcoming performance of The Addams Family next year, and if that was anything to go by, I cannot wait for the full show next June! It is going to be amazing!

The ballet dancers brought some stunning elegance to the evening, huge respect for the girls en pointe! We heard solos from Kiriana, Evie, Bay and Willow, then finished the evening with some festive treats.

The Orchestra closed with music from Frozen and Polar express. We definitely all left feeling a little more ready for the festive season.

Huge well done to every single performer, you should all be so proud of yourselves. The quality of every single performance was outstanding.

DEPARTMENT NEWS

MUSIC DEPARTMENT

Royal Albert Hall Visit

Last Wednesday we took 44 students to the Royal Albert Hall to see a range of extraordinary performances by young people from across the UK.

We heard choirs, orchestras, instrumental ensembles as well as some inspiring contemporary groups. It was all presented by Yolanda Brown and we also got to listen to a composer who's recent piece premiered that evening, she even gave us a few tips on composing!

The quality of the performances as well as the experience of hearing live music in the Royal Albert Hall really was a fantastic experience.

DJ Workshops

On Monday we were treated to a visit from Deen Nauthoa from NextGen Music. Sixty students experienced an introduction to DJing. We had a great time learning how to beat match and mix tracks as well as learn some of the basic skills.

We are so excited to be able to offer these as lessons from January. If your child is interested in learning DJing please email: office@nextgenmusic.org and let them know whether you'd prefer individual, paired or group lessons. Equipment is provided. There is also a parent brochure attached with more information:

- Cost: £22 for individual sessions; £14 for paired, £10 for group.
- When: Day TBC - rotating times weekly so students avoid missing the same lesson.
- Duration: 30 minute lessons, booked term-to-term (Next block runs until the Easter holidays).
- Booking & Payment: Through our convenient parent portal, which also offers weekly lesson reports, reminders, and more.

Tree of Hope

A small section of the Orchestra played at St Marys Church in Easebourne on Thursday, along with some of the students from Easebourne primary. We are always honoured to be asked to take part in the annual service which reflects and remembers those that have been affected by cancer. The service is always beautiful and our students did us proud. Many thanks to the instrumentalists that played, and to Alex Burgess for accompanying the carols.

LRC - LEARNING RESOURCE CENTRE

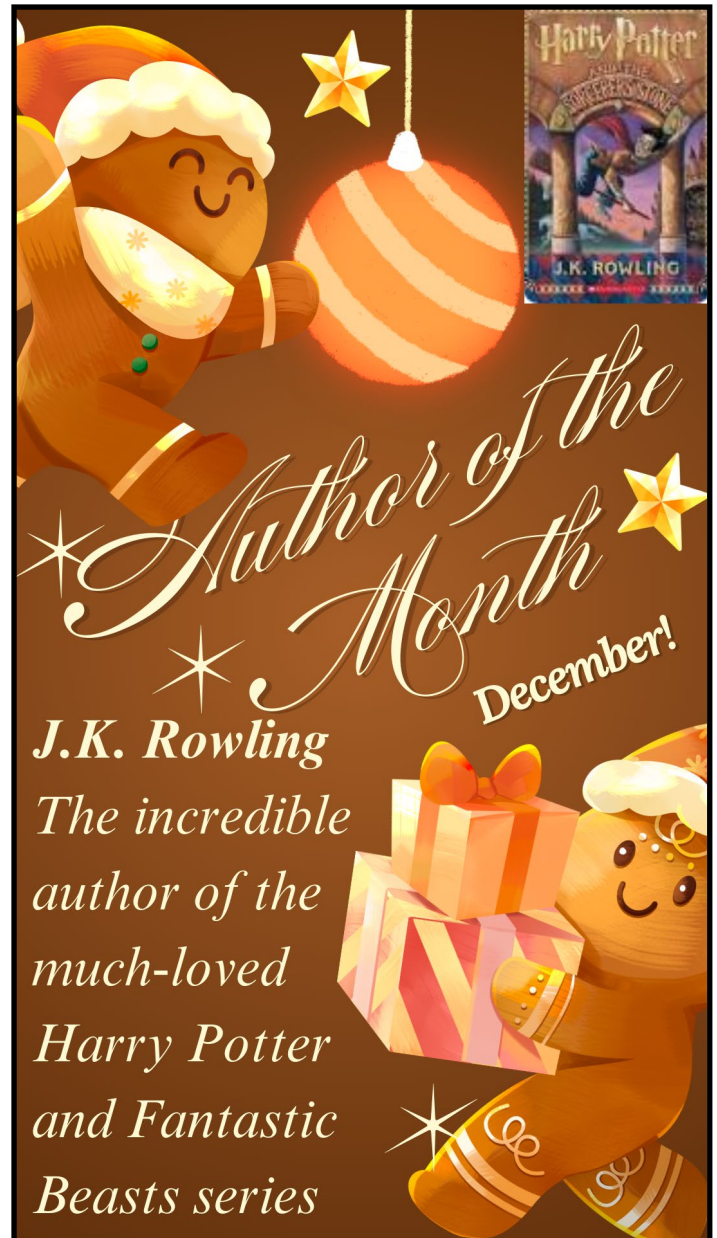

This month we are celebrating the phenomenal achievements of J.K. Rowling, a British author, who took five years to write the first Harry Potter novel, after an idea came to her whilst she sat on a delayed train. A lot of her early writing was done in and around Edinburgh's cafes, while she was a single mum, with her child in a pushchair beside her. All seven books in the series have been translated into more than eighty different languages, with some of her later books written in aid of various charities, such as Comic Relief and the children's book, *The Ickabog*, released in instalments online for free, to entertain those confined during the Covid 19 pandemic.

She also went on to write the Cormoran Strike crime novels, under the pseudonym 'Robert Galbraith', which have also been adapted for television.

She is the founder of the international children's charity, Lumos, which fights for every child's right to a family by transforming care systems around the world, so that they are raised in a safe, loving home, supported by family to help them thrive.

STUDENT RECEPTION

FREE Sanitary Products

We have a plentiful and varied stock of sanitary products at Student Reception, FREE to students! Just pop by and stock up!

Uniform

A reminder to label all uniform so it can be returned to its rightful owner should it be misplaced. Especially blazers as they are a key piece of uniform and a costly item.

Winter Is Coming

As the weather gets colder, a gentle reminder to students and parents that coats are obviously allowed to be worn, but HOODIES are not part of the uniform and will be removed from students if they wear them to College or during break times. Leggings are also not acceptable as part of the school uniform.

Coats over blazers are of course perfectly acceptable, we don't want anyone getting cold, but hoodies are not permitted for school, PE or Dance - we have a no hoodies on site policy. Please click on the link below for the uniform policy if you are unsure on any of the uniform.

<https://www.mrc-academy.org/Portals/0/Information/Policies/Behaviour%20and%20Attitudes/Uniform%20policy.pdf?ver=foOwQucg9s5BDEfPR4hREA%3d%3d×tamp=1621346226293>

Negative Uniform/Jewellery Points

'Pink slips' are assigned to students who are not conforming to our uniform/jewellery policy. A negative point is added to your child's Arbor and each point represents 1 pink slip that has been issued over the course of the current week – 1 negative point per pink slip. All incidents are currently entered by the Administration Team, not the member of staff who has issued it - this will be changing soon, as we are making slight tweaks. If you have any queries regarding the issuing of the negative point, please email enquiries@mrc-academy.org

Thank you for working with us to help keep our students smart, it is so important in setting them up to achieve!

LOCAL EVENTS

Northchapel Santa Dash

Sunday was the much talked about Santa Dash, organised by Northchapel Village Running Club and supported by the PTA to raise money for the school flood fund. Despite the horrendous weather we had over 160 adults and children taking part. A record for a Northchapel run! There was a toddler run, 2.5k & the popular 5k.

It was wonderful to see all ages embracing the rain, mud and just embracing the challenge.

The event has raised just over £2000. This will increase when we have claimed for the gift aid. Thank you to the brilliant running club team who worked so hard to put on this event and for everyone who mucked in to help. Thanks also go to the Village Shop for the donation of the bacon roll supplies and to local person Andrew Perkins and the company he works for, Guy Carpenter for their generous sponsorship plus a HUGE thank you to the students, parents and carers from MRC who took part too.
