## PRINCIPAL'S MESSAGE

It has been a very busy week in school this week. Our Year 7s have all been on their first school visit with us to Arundel Castle. Our sports fixtures continue and there is a theatre visit this week, too. We had our second open morning this week and had the highest number of visitors to our school that we have ever had. The vast majority of them were from schools that are out of our catchment area.

I will give a special mention to Year 7 in Midhurst Matters this week. They did exceptionally well in assembly with me this week. We talked about world hunger and how eating insects may be a solution to feed an ever-growing population. The vast majority of them were very happy to try some 'crunchy crickets' either in assembly, or afterwards. It is great to see their enthusiasm!

It is our intention to keep the field open for as long as possible this year. It is good to see students still able to get outside into the fresh air, provided it is dry. Please can I remind all parents / carers that hoodies are not part of our school uniform – these will be confiscated if students wear them to school.

There will be no Midhurst Matters next week, as it is the end of term. I would like to wish you all a very good half-term when we get there and hope to see many of you on fireworks evening on 8 November.

Best wishes.

**Stuart Edwards**  
Principal

## MOVEMBER

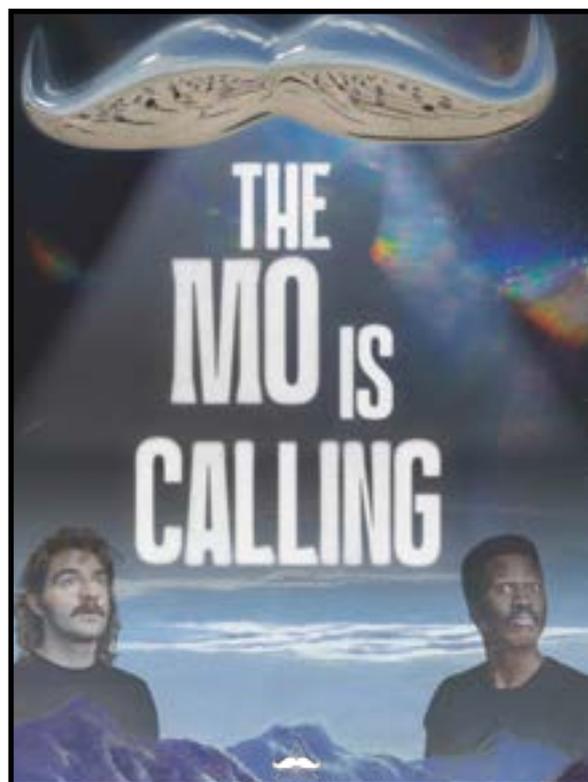

### It's that time of year again to Gro A Mo!

This November we will be raising much-needed funds for prostate cancer, testicular cancer, mental health and suicide prevention. Men die on average 6 years earlier than women. Together we can stop men dying too young.

We had a strong turn out last year - can we recruit more willing mo growers this year?!

All donations are welcome big or small - for all the dads, brothers, sons and mates in your life. Click <https://movember.com/t/mrc-movember-23?mc=5> or scan QR code below.

## KS3 & KS4 ASSESSMENT DIARY

### Week beginning : 21 October 2024

At MRC students in years 7-10 sit three assessments per year, with Year 11 sitting more, especially in core subjects, to help preparations for GCSE exams in the summer. These assessments support students to reflect on their progress, provide opportunities to practice and prepare for KS4 GCSE assessments in a 'low stakes' situation, provide teachers with an objective and comprehensive piece of work to judge students progress and an opportunity to report to parents/carers an accurate measure of their child's academic progress. These assessments cannot be 'failed' and simply give us all an indication of progress and attainment in different subjects – for many an encouragement, for a few some motivation to commit to hard work and progress.

Assessments are coming up for the following year groups

- Year 11 : Mock Exams (Internals) for all subjects in the three weeks beginning 11 November 2024
- Year 10 : in class assessments for all subjects in the fortnight beginning 4 November 2024
- Year 9 : in class assessments for all subjects in the fortnight beginning 4 November 2024

Over the next week or two, class teachers will be sharing details of forthcoming assessments with your child, including the length of assessment, type of questions, topics that will be in the assessment and some revision activities that will be useful to help your child prepare. This will be available on Arbor as an assignment. Additional information and revision guidance can be found on the college website (<https://www.mrc-academy.org/curriculum/revision-resources>) at any time; this page provides useful ideas and strategies to support independent and effective revision by any child at any time.

Experience shows us that students who are well rested, have had a good breakfast and are properly prepared with the right equipment experience less stress and anxiety before assessments, and perform better. We thank you for supporting your child in their preparation.

We are also mindful that these assessments can create a degree of stress and anxiety – please do contact your Head of Year for support and advice should this be the case.

## YEAR 11 - EXAMS

### Half Term Exam Papers

Teachers will be setting one exam paper per subject that must be done over the half term week. A pack of papers will be issued to your child on Wednesday 23 October. These will be collected back in from the students on Monday 4 November. Some subjects will set other work appropriate to their course. A letter detailing what each subject is setting will be emailed home before the half term week begins.

We are offering a Half Term Study Space in College from 9.00am - 3.00pm on Wednesday 30 October. Please email Mr Lamb (ashley.lamb@mrc-academy.org) if you would like your child to attend. Some subject teachers will also be there to guide students and snacks will be provided. Students may wear their own clothes rather than school uniform. Transport to and from College is not provided for this event.

We know that Year 11 is a demanding, very busy academic year for students. We are impressed with the hard work our students are already doing and thank you for the support and encouragement you give at home. Please do contact us by email about academic and pastoral concerns if they arise.

## ATTENDANCE MATTERS

### Absence

Please ensure that you communicate with us each day for any/all absences. Leave a message for the Attendance Team on 01730 812451 (select option 1) or make contact via email: [attendance@mrc-academy.org](mailto:attendance@mrc-academy.org).

## STUDENT RECEPTION

### FREE Sanitary Products

We have a plentiful and varied stock of sanitary products at Student Reception, **FREE** to students! Just pop by and stock up!

### Uniform

A reminder to label all uniform so it can be returned to its rightful owner should it be misplaced. Especially blazers as they are a key piece of uniform and a costly item.

### Winter Is Coming

As the weather gets colder, a gentle reminder to students and parents that coats are obviously allowed to be worn, but that HOODIES are not part of the uniform and will be removed from students if they wear them to College or during break times.

Coats over blazers are of course perfectly acceptable, we don't want anyone getting cold, but hoodies are not permitted for school, PE or Dance - we have a no hoodies on site policy. Please click on the link below for the uniform policy if you are unsure on any of the uniform.

<https://www.mrc-academy.org/Portals/0/Information/Policies/Behaviour%20and%20Attitudes/Uniform%20policy.pdf?ver=foOwQucg9s5BDEfPR4hREA%3d%3d&timestamp=1621346226293>

### Negative Uniform/Jewellery Points

'Pink slips' are assigned to students who are not conforming to our uniform/jewellery policy. A negative point is added to your child's Arbor and each point represents 1 pink slip that has been issued over the course of the current week – 1 negative point per pink slip. All incidents are currently entered by the Administration Team, not the member of staff who has issued it - this will be changing soon, as we are making slight tweaks. If you have any queries regarding the issuing of the negative point, please email [enquiries@mrc-academy.org](mailto:enquiries@mrc-academy.org)

Thank you for working with us to help keep our students smart, it is so important in setting them up to achieve!

## HISTORY

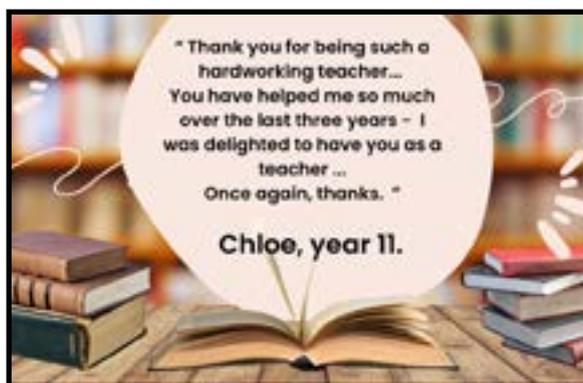

### Year 7 Arundel Castle Trip

This week Year 7 History students visited Arundel Castle to deepen their understanding of The Norman Conquest. Students took part in a number of workshops and a moat tour to learn about the development of Motte and Bailey castles, defensive and offensive features and the role of Arundel throughout History up to the present day. A highlight of the trip was investigating weaponry and maille armour used throughout the medieval era. Students were able to handle original arrowheads and tried on maille, this weighed around 20kg, Imagine climbing to the top of the keep in such heavy armour!
