PRINCIPAL'S MESSAGE

I will start this week with a first push for our Fireworks Night, which is on the 8 November this year. This is one of the highest attended, if not the highest attended, annual events in Midhurst. Last year, we had well in excess of 2000 people at the school for the evening. Tickets will be available via our website next week and I encourage you all to come along.

As we approach the winter, I would like to remind all parents that hoodies are not part of our school uniform. Students can wear a plain black V-neck jumper (optional) under their blazer. We notice every year that lots of students don't wear a coat in winter – I encourage them to do this and to wear it over their blazer.

The students continue to work well in lessons. Next week we have our first open morning event for prospective Year 7 students for September 2025. I enjoy and look forward to this day, as the students and parents get to see our school in action.

Thanks again to all students who represent us in sports fixtures. Win or lose, it is great that they are participating.

Have a good weekend.
Best wishes

KS3 ASSESSMENT DIARY

Week beginning : 7 October 2024

At MRC students in years 7-9 sit three assessments per year. These assessments support students to reflect on their progress, provide opportunities to practice and prepare for KS4 GCSE assessments in a 'low stakes' situation. These assessments cannot be 'failed' and simply give us all an indication of progress and attainment in different subjects – for many an encouragement, for a few some motivation to commit to hard work and progress.

Assessments are coming up for the following year groups

- Year 10 : in class assessments for all subjects in the fortnight beginning 4 November 2024
- Year 9 : in class assessments for all subjects in the fortnight beginning 4 November 2024

Before the half-term, class teachers will be sharing details of forthcoming assessments with your child, including the length of assessment, type of questions, topics that will be in the assessment and some revision activities that will be useful to help your child prepare. This will be available on Arbor as an assignment.

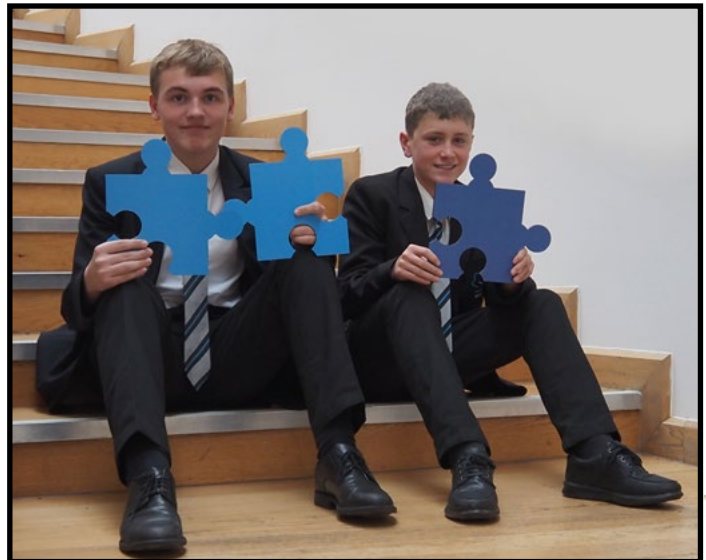

Additional information and revision guidance can be found on the college website (<https://www.mrc-academy.org/curriculum/revision-resources>) at any time; this page provides useful ideas and strategies to support independent and effective revision by any child at any time.

ATTENDANCE MATTERS

Winners!

Congratulations to our last two attendance prize winners! Barney S, Year 11 and Ted C, Year 8. Your child can put themselves in the draw this year by achieving 96% attendance or above. Also, your children will be aware that we are looking to hold a Silent Disco for all those students who receive 100% attendance between 23 Sept - 4 Oct and want to attend.

Another great week for attendance. Last week we had 867 students who managed to have 100% attendance, meaning that no days were lost, and learning was maximised. Amazing! Let's hope that they can do the same this week and get themselves into the Silent Disco (details to be confirmed).

Also, please be aware we have updated our Attendance policy to reflect the changes made by the DfE. Please make sure you are familiar with its content. You can find the policy [HERE](#) on our website

Absence

Please ensure that you communicate with us each day for any/all absences. Leave a message for the Attendance Team on 01730 812451 (select option 1) or make contact via email: attendance@mrc-academy.org.

If your child needs to attend an appointment, please send us a copy of any supporting information such as a medical letter or appointment card. Our website ([Attendance Matters \(mrc-academy.org\)](https://www.mrc-academy.org)) contains further information, including links to our policies and a link to our [student absence request form](#). You may also find this link useful from the NHS, [Is my child too ill for school?](#) We work closely with the legislation as laid out in the DfE's [Working together to improve school attendance](#) (applies from 19 August 2024) publication to ensure that we fulfil the government's mandate on attendance and support you and your child.

EXAMS

Supporting your child through Revision and Exam Periods

October is an important month for Year 11 students. Now is the time to embed sustainable homework habits into daily routines and practise effective methods of revision. With a full set of internal GCSE exams to do next month, students' preparation needs to start now. Parents' support is vital even if teenagers don't always admit it. Thank you for encouraging your child to plan ahead and revise all their subjects in good time.

The week beginning 13 October will have a Revision Theme in Year 11; Elevate Education will run workshops for all Year 11 students on Thursday 17 October in College. Masterclasses and lessons will model and practise revision techniques. Students will make revision planning calendars for the 9 days of half term.

Parents are asked join the Elevate Webinar on Tuesday 15 October at 6pm, link to register below (you can also download and listen back to the first two sessions about study skills and managing time, links are sent to all parents by email from Arbor).

Teachers will start setting tasks to guide students' work over half term week. These tasks are not optional. Half term work is expected from all our Year 11 students.

We will offer a Half Term Study Space in College for Wednesday 30 November, with snacks and support for students from 9.30 - 2.30pm in College. Practical exams and MFL speaking begin as soon as we return after half term before written papers begin on Monday 11 November. Exam timetables for students are being added to the Exams section of Arbor so you can see your child's schedule in November.

The next webinar will be on Tuesday 15 October 6-7pm. See below for details.

STUDENT RECEPTION

FREE Sanitary Products

We have a plentiful and varied stock of sanitary products at Student Reception, **FREE** to students! Just pop by and stock up - we have female staff in the hub to help if preferred.

Uniform

A reminder to label all uniform so it can be returned to its rightful owner should it be misplaced. Especially blazers as they are a key piece of uniform and a costly item.

Winter Is Coming

As the weather gets colder, a gentle reminder to students and parents that coats are obviously allowed to be worn, but that HOODIES are not part of the uniform and will be removed from students if they wear them to College or during break times.

Coats over blazers are of course perfectly acceptable, we don't want anyone getting cold, but hoodies are not permitted for school, PE or Dance - we have a no hoodies on site policy. Please click on the link below for the uniform policy if you are unsure on any of the uniform.

PRELOVED PROM DRESS SALE - SATURDAY 19 OCTOBER

Year 11, 12, 13

The Bishop Luffa School in Chichester is holding a preloved prom dresses event, dresses will be available to buy and sell. This is a great event for sellers as we supply a captive audience thus increasing your chances of selling. Over 100 dresses were in stock at the last event in a variety of sizes, colours and designs.

Bishop Luffa School very much look forward to welcoming our families to buy and sell at their sale on Saturday 19 October 2024.

FOODBANK FRIDAY

On Friday 18 October, we will be holding our first Foodbank Friday of the year. We are always overwhelmed by your generosity in supporting our local Midhurst Foodbank. For this collection, the Foodbank have suggested items from the list below would be very useful for them to receive:

Tinned fruit, tinned custard or rice pudding, instant whips, tinned meat products, tinned fish, barbecue sauces, liquid hand wash, shower gel, shampoo, deodorant, rice, instant flavoured noodles, long life milk.

A reminder that we are a referral point for the Foodbank and if you at any point require any Foodbank vouchers, then please do not hesitate in contacting us via foodbank@mrc-academy.org or through your child's pastoral leader.

Christmas Kids Lunch Packs

Registration is now open for Christmas Kids Lunch Packs for families on low incomes. If you are on a low income and your child or children get free school meals, you should have given a voucher number so you can receive a box of food to help ease the pressure over the school holidays.

Register your voucher online at <https://bit.ly/3juhqYf> by Sunday 17th November.

You should have received a voucher and if you haven't, please email Mrs Hathaway - madeline.hathaway@mrc-academy.org.

ART DEPT

MATHS DEPARTMENT

Congratulations to all the KS5 Mathematicians for taking part in the UKMT Senior Maths Challenge on the 1 October.

Results should arrive within two weeks. Also, a well done to the Year 11/12/13 girls who took part in the Mathematical Olympiad for Girls on 25 September. This was a first for the school, and we are excited to see what the scores will end up being.

PE DEPARTMENT

Several MRC students have been attending sports trials recently and some have impressed enough to have been selected to play for county teams.

Pippa M (Year 8) who plays for Horsham Hockey Club will now be training with Sussex. Pippa plays as a midfielder and is excited to see how far she can progress with her hockey this year.

Scarlet H (Year 11) who played netball at Surrey Storm last year attended the London Pulse Netball trials among 400 other netballers, and was one of 20 girls who were selected for the team.

Some great sporting achievements for our students at MRC.

Miss Isobel Howard

Do You Dinghy Sail?

Dr Dean and Miss Howard are gybing into the pool of MRC sailing talent and want to know how many keen sailors there are within the college!

If you are into your dinghy sailing, please go and see Dr Dean or Miss Howard for a copy of the form to fill out (some exciting opportunities to get involved with inter-school sailing competitions could be pending*).

We look forward to finding out who knows their port from starboard.

Teens, anxiety and their phones!

Huge stress points for us all, as parents, carers and students!
Does one cause the other, are they related, should my teen have a phone at all?

This 40-minute presentation brings together the latest research on these topics, where governments and schools are ultimately heading, this session will give you as parents/carers ideas to try or discuss.

This is expected to be busy so please book, it's free, using the link below, and secure your seat for this important information evening.
